RECHARGEABLE MILL FILLED WITH GOURMET PEPPER

For the Dad who takes seasoning seriously, this Rechargeable Mill delivers effortless flavour at the push of a button.

No grinding, no fuss - just fresh, consistent seasoning every time, whether he's at the BBQ or plating up in the kitchen.

Filled with Gourmet Pepper, it packs a punch built for steak nights, burgers, roasted veg and everything in between. It's the kind of upgrade that quietly takes "good cook" to "why does everything Dad makes taste better?" - and easy to recharge - he'll never go back to a manual grinder again.
